THE PEDALLER
Yeovil Cycling Club October 2003

Social Climbers

An excellent turnout for this year's hill climb, eighteen riders contested the High Ham Climb, some for the first time and others returning to enjoy the pain again. Chris Absolom, on his trusty fixed, just failed to get under three minutes and narrowly beat Dave Bentley. It was great to see two juniors out as well, Chris Pym did the climb in a very respectable 5:02 and ??? Askill came out to join the crowd of spectators (and cheer on dad!).

Thanks to Scorpion CS, Anna and Andy, for the *apres climb* hospitality, coffee and cake was most welcome after all that exertion, and the contestants enjoyed it too.

The top three

Is it just the times or is Derek handing out free beer?

we've moved

www.yeovilcc.com

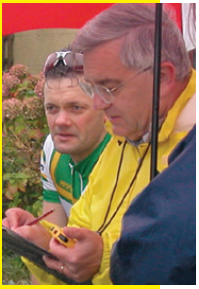

Some more of this years climbers. Sorry if you aren't here, you were just going too fast for the cameraman!!

Not just about time

It goes without saying that without people like Chris Fendt, Garry Mitchener, Mike Northcott and Derek Todd there would be no Hill Climb or Evening Time Trials. Our thanks to them for yet another well run season, and to all those others that helped along the way.

Congratulations to Derek on his election to Vice President of the club. Derek has not only been our Treasurer for many years but has always freely given up time to support the Club in so many different ways; from regularly acting as timekeeper to judging and marshalling road races and who can forget his time as runs leader!

Trophy trail

Will anyone holding a club trophy please arrange to return it to Gary Mitchener before the end of October, preferably in the same condition you received it.

If you think you are eligible for one of the club cups this year then make sure Mike Northcott has the details. If you are not sure what Trophies are available then there is a full listing on our website on the Records page.

Christmas Buffet

Got your claim in for a trophy, or just fancy a relaxing Sunday lunch mulling over this season, or planning the next one. Then don't forget to book your place at the Club Buffet on Sunday 7th December. It will be the usual format of an extensive buffet followed by the trophy presentation. Everyone is welcome, friends and family and non Yeovil members too.

Doing Time

No doubt you will all have seen the article on Kevin Mahon that filled page two of the Western Gazette recently and subsequently some of the Nationals too. Suffice to say that we now need a new **road race secretary.** Mike Northcott is the nominated organiser for both of our events for 2004, and if necessary we will run the events on a committee basis, but we would like to fill the vacant position. If you would like to be more involved in the Club and have a little time to spare each month please don't be shy.

Beat the rush

The annual subscription for 2004 is due in January at the modest price of £12, or £5 for Juniors, Juveniles and those still in full time education. You can pay Mike Loader (details on back page) as soon as you like! There will be another reminder in the January issue.

Please reserve me: _____ places @ £7.50

_____ places @ £3.75 (under 16)

_____ free places (under 5)

I enclose a cheque/PO made payable to Yeovil CC for £

Tel 01963 440291. **By 23rd November 2003 – at the very latest!!**

Annual General Meeting

Annual? well not actually as the change in club year meant this was the second AGM this year. General? hardly, with just two non committee members turning up. Meeting? that at least was true.

The full details are included on the Committee notes starting on page seven but the salient points were:

- No increase in Subs for 2004.
- New category of Day membership, cost £1, for anyone wanting to try out a particular club activity.
- Race Calendar as 2003 with the addition of a new Ilton circuit race.
- Derek Todd elected Vice President.
- Club BAR to be contested over U courses only.
- One 25 and the 50 dropped from the Evening TTs. Entry fee increased to 50 pence for YCC members.
- Committee re-elected but the position of Time Trial Secretary and Road Race Secretary remain vacant.

Although it is mentioned elsewhere, several times, can you please give serious consideration to the vacant positions. The TT Secretary is really important: the dates for 2004 have all been set and the paperwork done. It just needs someone to organise the events each week. This can be a whole team of people, and there are several who have already expressed their support, but it does need one person to take overall responsibility. It is a very rewarding job, an allowance is paid per event, but more than that the satisfaction of doing it well and the continued thanks of all the riders each week is worth more then cash. If you have the time to spare and would like to put something back into the sport please come forward now.

Please order me a:

Club Clothing

What do you need for 2004?

We will have to place an order for some more club clothing this winter so if you think there is something you need for 2004 please can you let me know as soon as possible so that I can tailor the order accordingly. We have to make up quiet a large order so if it is not included with this one then we cannot guarantee any more will be ordered within the next 12 months. *See Xmas order overleaf for address details. David Notley.*

Roadpeace

There will be a Remembrance Service for all road traffic victims at All Saints Parish Church, Castle Cary on Sunday November 16 at 5pm. The speaker will be the Chaplain of Somerset's Fire Service. It is hoped that the ambulance service will be represented as well as the Police Force. This is an interdenominational service and anyone affected in any way by a road crash, or anyone who cares will be very welcome.

Rita Taylor, Vice Chair RoadPeace.

Club Runs

Your starter for 10

If you like the idea of a Sunday run but find the current one too fast or too long then Mike Northcott will lead a series of shorter rides this winter. The average pace will be about 12mph (slower if needed) and last for 2.5 to 3 hours. The rides will start at the usual meeting place, Yeovil Sports Club at 9.30 on the following dates: 2 and 30 November, 28 December (10:30 start), 25 January, 22 February and 21 March. These will not take place if it is wet enough for tyres to generate spray or the temperature is below 8˚C. (*Mike claims he has a bad knee which doesn't like the cold or wet, I've got a whole body like that! - Ed)*

ON, OFF, ON, OFF

The Open 10 was cancelled following the announcement of major roadworks just three weeks before the event. The initial feedback from the highways agency was that they would be clear in time, however that was changed within a few hours to "they will definitely not be clear".

In consultation with the West DC it was decided that the best option was to cancel promptly in order to give the riders an option of swapping to another event. Having informed everyone, including *Cycling Weekly*, that weekend another phone call on the Monday changed the situation again to "they may not be started". Dilemma, uncancel the cancellation for a ***may not***? *Cycling Weekly* said it was too late to pull the cancellation notice, so that was that, no time trail. In the end the notice didn't appear in CW, the road works hadn't started... still it is character building... better luck next year.

Insurance

Are you covered

Just a timely reminder that if you are a member of the CTC or have BC Silver membership then you automatically have third party cover and access to Cycling specific lawyers in the event of a serious crash.

In these litigious times can you afford to be out on the road without it?

2004 Events

28 March. Ham Hill and Pittards. Ilchester course, 5 and 3 laps.

17 April. Spring 10 , 15:00, U30/10.

20 June. The John Andrews Memorial Road Race (105km), this will be run on a new course this year. The HQ will be Huish Episcopi school. From the school riders will proceed towards Long Sutton, turn left through Upton to join the Somerton to Langport road. There they will turn left, then left again as they enter Langport to complete one lap. The course will be inspected within the next few weeks.

4 July. 25, 90 riders, 07:00 U30/25

18 July Ilton Circuit race, this will be the divisional championship.

30 August. Ilton Circuit race

25 Sept. Autumn 10, 15:00, U30/10.

PLEASE NOTE: The South West Division has banned entry on the line for this year, so it is essential to get your entries in on time for all events in our BC region.

For Sale

60cm Dedaccai 0HT

(steel) frame with strait forks sprayed blue and white with the Corrado decals... about £150 ono

Toby Creighton, 01823 325371, or 07971 496 358.

Committee Notes: **July**

General Secretary Correspondence was handled.

Treasurer £32.00 received from clothing. Paid out: £27.00 for Ilton RR permit and £91.13 for the hire of Ilton. The Open 25 had made an overall loss of £75, this was made up of a short fall of £25 plus a £50 donation to Yeovilton for the HQ hire. An increase in the entry fee for 2004 should be considered.

Time Trial Secretary Some discussion was held about providing more information about the do's and don'ts of time trialing. It was suggested that the signing on sheet should be accompanied by an information slip to provide notes on avoiding pacing etc. It was also suggested that the newsletter may include this information.

Road Race Secretary Reported on the John Andrews RR. The loss of £13.64 was entirely attributable to the low entries for this event. He had received the commissares report for the race that had been complementary. He also reported that the traffic had been lighter than usual on the day. It was felt that the John Andrews promotion had benefited from being a single race promotion. Some discussion followed on the possibility of staging the Pittards and Ham Hill races on separate Sundays. Whilst it was felt that this would have some advantages, it was also noted that it would be more difficult to get the required supporters.

Membership Secretary One new member, Dave Clarke, total now 47.

Runs Secretary, **Records Secretary**, **TVCRA**. Nothing to report

Press Secretary. No coverage this week.

Newsletter Editor A newsletter had been published recently.

Any Other Business Bryan Pearce reported that cheque for the BC permit and the hire of the Ilton circuit had been submitted, the necessary insurance document was ready and that he has been publicising the event locally. BC headquarters has been notified of the promotion. Bryan also indicated that he would be carrying out a pre-entry draw to return the entry fee to a rider as an incentive to pre-enter.

August

Matters Arising Ilton Circuit Race, Bryan Pearce reported that he had received 9 entries for the 2/3, 8 for the 4th cat race and 2 for the youth. All necessary documentation for the race has been submitted and the commissare would be Anna Ellington.

General Secretary Correspondence was handled.

Treasurer £59.80 received from clothing. £19.60 paid out for newsletter printing and postage. The 3 cheques totalling £30 for the team prize at the Ham Hill race have not been cashed yet. Kevin Mahon confirmed the cheques had been sent to Team Endura-Sport. It was also noted that a replacement cheque had not been received from the rider who had sent a blank cheque for entry in the Ham Hill race. Kevin Mahon reported that he had not been in contact again and that he would write to the rider shortly.

Time Trial Secretary The evening club events continue to be well supported. He also extended his thanks to Mike Northcott for his assistance recently.

Road Race Secretary A lengthy discussion took place about the road race courses and dates for the 2004 club promotions. It was agreed that the existing Ilchester course would be used for the Ham Hill and Pittards RR to be held on the 28th March 2004 and that the new Langport circuit would be used for the John Andrews Memorial RR to be held on the 20th June 2004. The John Andrews RR should be cut to 105km and that the headquarters should be Huish Episcopi school. It was agreed that the Nuffield Sports Club, RN Yeovilton would be used as the event headquarters for the Ham Hill and Pittards RRs. The secretary indicated that he had not been in touch with Eddie Mclean to obtain authorisation for the new Langport road race circuit. Mike Loader agreed to provide marked up maps that could be forwarded detailing the exact course. The secretary indicated that he would provide details of the 2004 promotions to the division for the purposes of date fixing.

Membership Secretary No change.

Runs Secretary Recent runs have been to West Bay, Taunton, Wookey & Glastonbury.

Records Secretary No new records.

TVCRA Nothing to report.

Press Secretary Coverage had been thin on the ground recently. A report had been included in the Yeovil Times freebie.

Newsletter Editor The free web hosting service for the Yeovil website had been experiencing a number of problems. He raised the possibility of registering a new Domain name that would be more obvious, the cost would be £50.97 for the first year and less for following years. The committee felt this would be a good idea and agreed DN should proceed with the purchase of www.yeovilcc.com.

Any Other Business. The next meeting would be the AGM, DN to update the website to invite nominations.

Membership fees would need to be set at the AGM. The committee agreed that prior to making a decision it would be necessary to determine if the Johnson Park fee would be changing. The related issue of adding a day membership fee to the club rules was also discussed and it was agreed that a motion would be tabled from the committee to update the club rules accordingly.

CF indicated that he would be relinquishing the role of TT secretary at the AGM. The committee agreed on a date of the 7th December for the Club buffet. Kevin Mahon agreed to book this date and make the necessary arrangements. DN indicated that it may be necessary to hold a clothing sale in order to sell the old Impsport Yeovil CC kit as everyone always wants the new Pro-vision kit. The committee agreed that a limited sale period would be a good idea.

Annual General Meeting

Matters Arising The John Andrews RR was not run on the new Giants Head course. The Anniversary Tops were eventually received.

Treasurer Report The treasurer distributed a summary of the accounts. The following points were brought to the attention of the attendees:

- The accounts only covered the six months from the AGM in February
- The evening TT income is not yet known.
- The club affiliation fees for 2004 are yet to be paid but will be deducted from the 2003 accounts.
- Two of the promotions this year made a slight loss, the John Andrews and the Open 25, however the losses were easily covered by the profits from other events, including the new Ilton circuit race.
- Levies for 2004, both BC and CTT, have increased dramatically (up to 100%). Also the affiliation to the Sports Club was increasing from £6 to £8 per member.
- The use of the Nuffield Sports bar was felt to be good value for money although it was the main factor in the loss incurred at the Open 25.

Road Race Secretary No report

Records Secretary Just the one record. Mike Loader with a 20:05 for a 10.

Runs Secretary There is just one run at present, 50 and 60 miles, with a coffee stop. Between 8 and 18 riders each week. If the number increases, or there is a need, a second run will be arranged.

Press Secretary Despite submitting a report each week the coverage in the Western Gazette has been poor this year. Some of the reports were published the following week in the freebie paper (Yeovil Times).

Membership Secretary Fifty members so far, eight down on last years total.

Newsletter Editor The newsletter has been published on a quarterly basis over the past year. The new website, www.yeovilcc.com, was working and will continue to promote the club.

General Secretary (Written report) He had dealt with all the club correspondence received since he took over the role. He also indicated that minutes had been taken and distributed to attendees for all meetings held during the year.

Time Trial Secretary Not present (Apols).

Dates for 2004 See page 5

Affiliations Agreed to be as 2003. CTT, WTTA, Road Peace, British Cycling, CTC and TVCRA

Motions From the Committee

1 That the category of Day Membership be included in the Rules. The sum to be determined annually at the AGM.
Proposed by Dave Notley. Seconded Mike Loader. Approved unanimously.

2 That the day membership for 2004 be £1.00.
Proposed by Dave Notley. Seconded Mike Northcott. Approved unanimously.

3. That Derek Todd be elected as Vice President of the Club.
Proposed by Dave Notley. Seconded Garry Mitchener. Approved unanimously.

4. That in future Yeovil CC only runs 10 mile time trials in the evenings (with the exception of the 4 Up TTT).
Proposed by Michael Loader. No seconder so motion failed.

5. That the Yeovil CC short distance BAR must be contested using the U30 only.
Proposed by Chris Absolom.
An amendment to this motion by David Notley was approved. That the restriction be U courses only. The motion was then seconded by Nick Armstrong and approved nem com.

6. That Yeovil CC promote two additional road races next year on the Ilton circuit.
Proposed by Bryan Pearce. Seconded by Derek Todd. Approved unanimously.

Election of Official
The list of officials were elected unanimously on block with the exception of the position of Honorary Time Trial Secretary and Road Race Secretary.

Any Other Business It was suggested we contact the District authorities to ask why the dates for events are so needed so early.
Subscriptions for 2004. It was agreed that the subs for 2004 could remain unchanged. The increase in YSC subs will be deferred by declaring only 1st Cat members.
Evening Time Trial Subs. It was felt necessary to increase these as the CTT levy will double in 2004 (from 10 to 20 pence). New rates will be 50p for YCC members, £1 for non YCC members.
Brian Pearse had been contacted by SW Div, with a view to promoting the National Circuit Races at Ilton. However it was felt that Ilton did not have enough facilities to accommodate such an event.

The Independents

By Tony Taylor

The British League of Racing Cyclists' (B.L.R.C.) continued to progress, and in 1944 promoted the first ever stage race in Britain, the 3-day Southern Grand Prix, won by Les Plume (Manchester R.C.C.). At the end of that year, the National Cyclists' Union (N.C.U.) was prepared to reinstate suspended riders and officials. This acknowledgement, all be it reluctant, was that the B.L.R.C. had managed to establish itself and that of open road racing. In 1945 a 5-day stage race from Brighton to Glasgow was promoted. Again the event was a huge success, and was won by a Frenchman, Robert Batot, by some 5 min. from Geoff Clark (Bradford R.C.C.). In 1946 the event was increased to 6 days, and was won by Mike Peers (Manchester Couriers)

With the war over, the cycle industry emerged keen to manufacture and market its products, as well as importing equipment from the Continent, to this new road racing market. They saw the exposure of trade teams competing in road racing, to be a suitable vehicle for advertising to both club riders and the public, as it was on the Continent.

With sponsorship from the News of the World newspaper for the 1947 Brighton to Glasgow stage race, numerous firms signed up riders as 'Independents', i.e. not amateurs or strictly full professionals, but semi-professionals –although most continued to hold full time jobs, to ride in this event.

The trade teams were – Dayton Cycles, Ernie Clements Cycles, Evelyn Hamilton Cycles, and Paris Cycles, plus one firm outside the cycle industry - I.T.P., a betting and football pools company.

Both Dayton Cycles and I.T.P. continued team sponsorship for a number of years. Thus was born the 'Independent' category of rider in Britain, eligible to compete against both professionals and 1st category amateurs. The 1947 Brighton to Glasgow winner was George Kessock (Paris Cycles), by a mere 54 sec. from Johnny Raines (Hamilton Cycles), with Len West (Dayton Cycles) third.

1947 also saw the first National Independent Road Race Championship, which was sponsored by I.T.P. This event was run by the Western Section of the B.L.R.C. on a course near Weston–super–Mare, circuiting Uphill, East Brent, Shute Shelve, Churchill, Banwell and Hutton. This course was subsequently used for many events over the next twenty years or so. The first 'Independent' champion was Dennis Jaggard (Dayton Cycles).

During this period most riders carried their spare tubular tyre in a figure of eight, around the shoulders, and had double feeding bottles on the handlebars. One innovation starting to come in, was the double chain set – the chain being guided from one chain ring to the other by a hand operated chain shifter, fitted low down on the seat tube.

Thanks to Chris Fendt for doing another great job as TT Sec, with a little help from his friends. Namely Derek Todd for timekeeping, Mike Northcott for traffic counts, Garry Mitchener for assistant time keeper and pusher off, and all the others that have helped throughout the year.
