

THE

PEDALLER

Yeovil Cycling Club

October 2000

99, 100, 101, 102.

Our final Open time trial of the season was the largest field in the West DC this year, with 102 riders entered. Despite the very blustery conditions virtually everyone rode, and there were even four improvements on the day!

The distance riders travelled to the event can only be a testimony to the popularity and speed of the U30, with riders coming from as far afield as Jersey and Manchester.

At least we did not see a repeat of the torrential rain of last year but the strong wind meant the course record was never under threat. For the prize winners see overleaf. The best placed Yeovil rider was Mike Loader in 8th with a time of 22.34. Followed by: 25, Matthew Law, 23.43.

28, John Fazakerley, 23.52.

33, Colin Maddock, 24.13.

39, Nick Armstrong, 24.30.

43 Mark German, 24.55.

46 Mark Askill, 25.02.

47 John Sharp, 25.06.

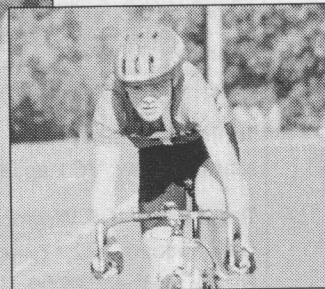

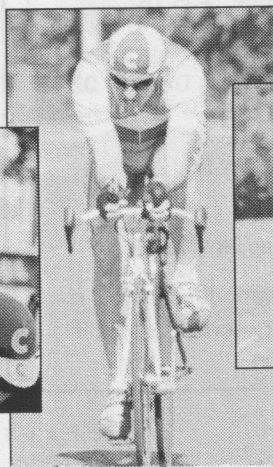

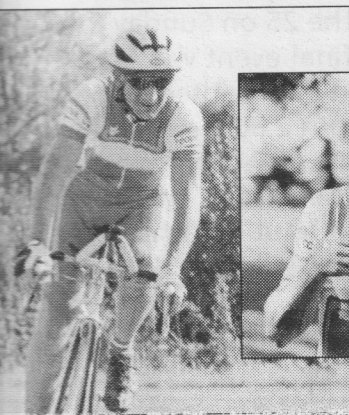

49= David Walters, 25.14.

73 Dean Ward, 27.23.

75 Doug Ward, 27.27.

80 Olive Tabor, 28.13.

A very big thank-you to all the helpers, who patiently stood around the course for the two hours it took for the full field to go round. To Steve, Kevin and Derek for timekeeping, Stuart for pushing off all 102 riders, to Steve, Bob, Chris, Mike, and Tim for marshalling and Jane and Rachel for supplying and running the tea tent.

Evening all

Despite the weather conditions seeming to be against us for most of the year on the Evening Time trials there was the odd good day throughout the year, and those that persisted were rewarded with some better times.

There have been some noticeable improvements over the summer amongst the regular riders, the *Battling Johns*, Clemit and Fazakerley, sparred all season long, with John F running out the winner he just seems to be getting quicker each week. The father and son dual between Doug and Dean Ward continues with both

improving their PBs this year. Even the vets are getting in on the act with Nick Armstrong recording a PB.

Thanks to Chris Fendt for organising the events, and to his trusty band of helpers, Derek, Kevin and Mike., we do appreciate your hard work and commitment.

2001 Time Trials

The course seems to be growing in popularity, even if only by virtue of the fact that it is getting harder to use some of the other courses in the area. As well as our three events Wellington are holding their 25 in September, the Chard Wheelers are promoting a twenty five as well as their usual ten next year. Bristol South and VC Camelot are also using the U30 for 10s in June.

The Home events

Dates for your diary, the Open 10 will be on Saturday 31st March. Followed by the 25 on Sunday 8th July and the final event will be the Autumn 10 on 29th September. The 10s are both 2.30 starts whilst the 25 will start at 06.30 if we get a full field, otherwise as late as we can make it without breaching the RTTC course restrictions.

The Open 10 winners were:

- 1 Eamonn Deane, Bournemouth Jub 21.15.
- 2 Jon Wynn, Weston Wheelers, 21.29
- 3 Graeme Lackford, Angliasport, 21.35
- 4 Steve Hulme, Manchester Whs, 22.07
- 5 Gary Fodden, CC Weymouth

Veterans on Standard

- 1 Michael Lawrence, Clevedon, +06.51
- 2 Janet Wilson, Bath CC, +05.27
- 3 Bob West, VC Venta +05.16

Best Improvement Prize

Shaun Walsh, Gillingham & District - 02.46

Womans Prize

Beverly Fletcher, Salisbury RC, 25.28

Junior/Juvenile Prize

Matthew Law, VC Camelot, 23.43

Team Prize: CC Weymouth 68.53

Gary Fodden, 22.13; Kevin Frost, 22.31;
Patrick Hogben, 24.09.

A chilling tale...

The Club Hill Climb was held on Sunday 22nd October. A sunny but very cold morning greeted the sixteen competitors who were prepared to take on the challenge of the High Ham course.

Some choose to use the Club run as a warm up, whilst others went directly there. The less traditional warm up

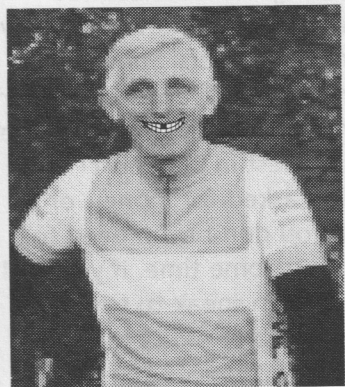

of just sitting round in the sun in front of the pub was favoured by a many riders but most of those choose not to race!

The lung burning cold air did not mix well with the all out exertion that is required for hill climbing, mix in a slightly damp surface and it is no surprise that the winning time was slightly slower than last year. It will be no surprise either that the winner was Chris Absolom again, in a time of 3.04. Eleven seconds behind Chris was Matt Law of VC Camelot (competing under the invitation extended to the TVCRA Clubs), with John Fazakerley just four seconds behind him. The next seven places

were covered by under 30 seconds: Steve Pym (3.28), John Clemit (3.31), Tony Bond (3.32), Darren Edmonds, Julian Ridgeley and Tim Reeves (3.33), Mark German (3.42), and Dean Ward (3.50). Just a outside the 4 minute barrier was Simon Notley (4.01) – *notice there was no sign of dad, I know when to acknowledge defeat without all the suffering* – with Neil Boxall (4.14), Colin Maddock (4.36), Bob Galvin (4.54) and Olive Tabor (4.57) – cracking the five minute barrier for the first time – completing the field.

... and the National forecast

The National Hill Climb took place at Cheddar just a week after our Hill Climb. The gales and rain of Saturday rolled away to a sunny start, but with a strong wind. At least the rain stayed off until after everyone had finished. The wind was predominantly behind the riders but was cold enough to deter many of the spectators from staying too long. Jim Henderson of Terry Wright Cycles started as scratch man and won in a time of 5m 0.5s.

Crown Prince

Nick Armstrong, ever the gentleman, thought only of others at the Hill Climb. Fearful that someone might arrive over geared he packed a spare tooth. Unfortunately it was neither Shimano nor Campag compatible, so he had to take it home again, despite several attempts to lose it en route. Keep smiling Nick, well on second thoughts...

The Challenge ahead

In a presentation to the committee Tim Huxley, SSDC Sports Development Officer for Yeovil outlined their proposals for the coming year, and invited the Club to participate in any or all of the activities. The obvious benefit to the Club being that it introduces both it and cycling to school children and students providing potential new members.

With the recent success at the Olympics and now the World Championships cycling is finally catching the National imagination and getting some good media coverage. In a sport which is increasingly dominated by veterans and Juniors and Juveniles are almost non existant isn't it time we did something positive.

Tim covered a number of areas of cycling, from the provision of safe cycle zones in local parks, where small BMX areas could be located, through to two BCF initiatives, the Get Set Scheme and the Schools Challenge. It is these two areas that are most relevant to the Club.

The Schools challenge requires only a minimal support and commitment. It is basically an obstacle course for cyclists with two tracks laid out on the one day of the event. One is a practice area whilst the other is overseen by volunteer referees watching and scoring the participants. Full training will be provided for the helpers, as will all the equipment. The Club just needs to provide some helpers.

The Get Set Scheme is more involved both from the Organisation and cycling point of view. It requires the cyclists to complete a series of challenges designed to improve their bike handling skills and introduce them to competitive cycling. The BCF has designed a structured series of training sessions which the cyclist pays to attend. These can be run either weekly or consecutively during a school holiday, but they need people who want to work with young cyclists and who have the time and commitment. Full training and equipment will be provided, with a Manager overseeing and organising the series.

It is an ideal and proven way of introducing young cyclists to the sport in a safe environment, especially if it were combined with our usual Tuesday night activities at Merryfield.

We have the opportunity to become involved in both of these schemes, but do we have anyone that is prepared to help Tim Huxley? Surely we can hardly expect to see our sport and our Club, grow if we cannot demonstrate our commitment to it by encouraging new riders. Some of these activities will go ahead whether we help or not, but how much are we prepared to invest in our sport? We are not being asked for money, or equipment, you don't even need to be a cyclist, just some time. If you feel you can help then speak to someone on the committee or direct to Tim Huxley at SSDC.

A brief resume of the last committee meetings. Topics covered elsewhere in this issue are mentioned only briefly.

Monday 14th August 2000

Gen Secretary reported he still had some BCF rule books left. Notice of the BCF Annual General Meeting, and the RTTC West division date fixing meeting, had been received. Details of the Desert Trek sponsored ride had also arrived.

Treasurer reported £1212.53 had been received from the sale of club clothing, £69.44 profit from the Oldsters race and £24.00 in membership subs.

TT Secretary, Club Runs, Records Secretary, Newsletter Editor, TVCRA. Nothing to report.

Membership Secretary reported two additional members: Paul Sparks a new recruit and Mark Johnson rejoining.

Road Race Secretary. The dates for the 2001 road races were to be submitted as Ham Hill and Pittards, 8th April; John Andrews Memorial 10th June. The format of both races to remain as this year, with an entry fee of £8.00.

AOB. None.

There followed a presentation on Cycle Development in Yeovil by Area South Sports Development Officer from Yeovil Council, see left.

Date Fixing Meeting.

Only five members attended the date fixing meeting, and the dates and events were agreed as proposed by the Committee. No further business was discussed.

Monday 9th October 2000

Matters Arising. It was confirmed the ~Hill Climb was on 22 October, the Buffet would be the second weekend in December and that the Oldster RR would be on Sunday 6 May 2001.

Gen Secretary brochure from TAL on clothing received, together with BCF license statistics, notice of a BMX/road/mtb track to be built in Exeter, BCF Cycling club audit questionnaire, Cycle coaching workshop, Investors in People (VIP) pack and Event registration forms. The registration forms for the 2001 road races had been sent, but the start time of the Pittards was to be amended to 10.50. Promotional material from the YHA, and the CTC Magazine had also arrived. The BCF affiliation forms finally appeared, we had already paid, along with more information on Regionalisation and Facilities strategies.

Treasurer reported affiliation fees paid, £30 RTTC and £50 for BCF. Noted the subs for the Sports Club and the RTTC Club Rider levy are both due to be paid.

TT Secretary not present but RTTC representatives reported they had attended the West DC AGM and Date Fixing and our events had been approved. D Notley reported a profit of £78.56 on the Autumn 10, but included in the expense was a further £87.53 which had been spent on six new warning signs and their frames.

Club Runs continue with a dozen or more riders each week.

Records Secretary a new 30 record to Mike Loader, time not available at meeting.

Newsletter Editor. October issue in hand.

TVCRA. Nothing to report.

Membership Secretary no change.

Road Race Secretary. Proposed increasing the donation to Ilchester school for use as race HQs to £60. Dan Coast to be booked for first aid for both events.

The Committee meeting is held on the second Monday of each Month at the Yeovil Sports Club. The next meetings will be 13 November, 11th December and 8 January all at 8pm.

Tuesday Evening Training Rides

Feeling unfit after too many nights in the chippie? Then you'll be pleased to hear the winter training rides are now in full swing every Tuesday and Thursday.

The start is in Yeovil at 6.30, riders gathering by the roundabout outside Palmers

Restaurant, Brympton.

Coppits Hill ten minutes

later then a steady pace

out through Marston

Magna, Queen Camel

and Sparkford. (A

diversion around the bridge closure

in Queen Camel may be necessary

for the period of seven weeks from

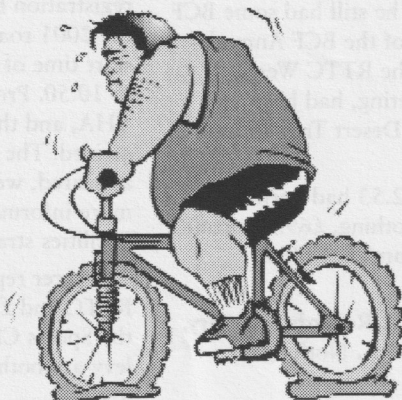

7th November). Climbing on to Castle Cary and then through Lydford and Kenton, down to

Somerton and back through Long Sutton and Martock.

The pace is steady, aiming to keep at level two for most riders.

Good lights, and warm clothing are essential. If you are looking

for good quality winter mileage then this is the ride for you. Contact Chris Absolom on 01935 477965.

Trophy trail

Will anyone holding a club trophy please arrange to return it to Gary Mitchener before 14th November, preferably in the same condition you received it.

There are trophies for all categories of rider from novice to veteran, road racing to time trialling. If you think you are eligible for one of the club cups this year then make sure Mike Northcott has the details, it is not easy to keep track of everyone's results throughout the year and it's too late once the trophies are engraved!

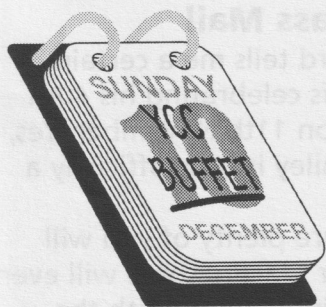

The presentation will take place at the club buffet in December, see page 7 for further details.

Keeping warm on the training runs...

There are still some thermal training tops, ordinary training tops and arm warmers available from stock. Although after the last few days perhaps a set of water wings would be more appropriate.

Item	£
Skinsuits	48.00
Bib shorts	35.50
Skin Shorts	30.00
Thermal T/top	42.00
Training top	35.00
Road vest short sleeve	31.00
Road vest long sleeve	30.50
Arm Warmers one size fits all	9.00

D Notley, see back page for details

Sunday 10 December 2000 Club Buffet

That's Sunday 10th December Kevin!

The annual **Club Buffet and Prizegiving** will be held on **Sunday 10th December**, at the Sports Centre

Johnston Park. It is open to everyone, partners, family or friends.

The buffet (but without the unbaked baked potatoes this year!) will have a selection of meats and fish, a plentiful supply of salads and hot fare, followed by sweets, cheese and biscuits, and coffee.

The move to the Sports Club proved popular last year, not least because of the cheap beer! There is plenty of parking both for cars and bikes. So make a note in your diary now. If you are strapped for cash you can still send me a cheque now, it won't be cashed until after the day.

The normal club run will depart from Yeovil at 9am and return around

12.30, with the buffet starting at 1.00. If the weather is bad the run will be short to enable everyone to get home and change.

The presentation of the Club trophies will take place around 2 (or as soon as everyone has eaten). If you think you are due for a bit of silver, or have one of the trophies please see page 6.

The cost is £7.50 per person, with under 5s free and children up to 16 half price. You can hand your cash or cheques to either David Notley, or Gary Mitchener. Alternatively, complete the form below and post it to me with the appropriate amount of cash, or a cheque made payable to Yeovil CC.

**Please make sure you have
booked by the end of November**

Please reserve me / tickets @ £7.50/£3.75 each for the Club Buffet .

I enclose a cheque/PO made payable to Yeovil CC for £

Name

Address

Postcode

Tel

Send to: D Notley, Oakley, Church Road, Sparkford, BA22 7JN
by 30th November 2000 – at the very latest!!

FOR SALE

A pair of Mavic Cosmic wheels, aluminium finish, 8 speed block (Shimano and Campag compatible). Includes wheel bags, £100.

Contact Tony Bond on 01458 259150 (home).

CRT Tor 2000

A new cycle team is being launched in Street, Team Tor 2000, and to raise some club funds they are holding a Cycle Jumble and blind auction on Saturday 18th November at Ashcott Village Hall. If you are interested in selling then tables are available at £5.00 in advance, or £7.00 on the day. If you want a bargain then the event pushes off at 11.00 am. For more details contact Anna or Andrew on 01458 210563, or on crttor2000@netscapeonline.co.uk.

First Class Mail

A little bird tells me a certain postman is celebrating his 40th birthday on 11th November. Yes, Martin Bailey is now officially a veteran.

I am sure plenty of you will remember Martin, some will even recall his junior days with the club, and although not quite so active (at least on a bike!) as he once was he is still a good friend to the club, turning out to marshal when needed.

It happens to us all Martin, have a good day and don't forget it won't be long before the kids are grown up and you'll have plenty of time on your hands, then you can dust off that bike, pump up the tubs and trade that *postie special* in for a lighter model.
