Yet another new course is christened and the course record goes to Dave Moffett. There were on or two comments on the safety of the turn where we rejoin the 5 course, namely riders either swinging out too wide (potentially into the path of oncoming traffic) and cutting the corner on the return leg (again potentially into the path of oncoming traffic). For any events on the course we will in future insist that riders do not cross the white line or cut the corner – anyone doing so be disciplined depending on the severity of the offence – you have been warned.

Traffic: Low.

Thanks to marshals & timekeepers. Derek, Gary, Ed, Dean, Alex and Andy.
